

12.8V 50Ah Energy Storage Lithium Battery Pack

Find a huge selection of 12.8V 50Ah Energy Storage Lithium Battery Pack from China at Olaite. Provide professional after-sales service and the right price, looking forward to cooperation.

12.8V 50Ah energy storage lithium battery pack

The following is an introduction to 12.8V 50Ah energy storage lithium battery pack, I hope to help you better understand 12.8V 50Ah energy storage lithium battery pack. Welcome new and old customers to continue to cooperate with us to create a better future together!

12.8V 50Ah energy storage lithium battery pack Introduction

Model Number:	OBT-5012	Place of Origin:	Zhejiang, China
Brand Name:	Olaite	Battery Type:	LiFePO4
Capacity:	0.64kwh	Standard Voltage:	12.8V
Suggested DOD:	80%	Cycle:	>2500 times
Cell:	new A+ cell	Product Size(cm):	22.9*13.8*20.8cm
OEM/ODM:	Accepatable	Battery Size:	18650

12.8V 50Ah energy storage lithium battery pack Parameter (Specification)

Model	OBT-50AH 12.8V(12V)
Capacity	0.64KWH
Normal Discharge Current	25A
Max Discharge Current	50A
Working Voltage	10-14.6V
Standard Voltage	12.8V
Max Charging Current	25A
Max Charging Voltage	14.6V
Circle Times	>2500 times

Size(mm)	229*138*208mm
Weight	4.5KG
Humidity	20-60%
Working Temperature	-20℃-60℃
IP Rating	IP65
Warranty	5Years
Battery Protection	Over-current/overvoltage/shortcircuit/lowvoltage/high temperature
BMS	Yes

12.8V 50Ah energy storage lithium battery pack Feature

- ※High power, friendly interface, free combination
- ※High quality battery cell, precise combination
- ※BMS customization supported
- ※IP67

12.8V 50Ah energy storage lithium battery pack Applications

- ※Energy storage system, control system, alarm system, power system, database
- ※Emergency lighting system, standby power supply, UPS
- ※Telecommunication equipment, communication equipment, fire protection system, security system, power station

12.8V 50Ah energy storage lithium battery pack Details

As the professional manufacturer, we would like to provide you 2.8V 50Ah energy storage lithium battery pack. And we will offer you the best after-sale service and timely delivery. With years of experience in production energy storage lithium battery pack, Olaite New Energy Co., Ltd can supply a wide range of energy storage lithium battery pack. High quality energy storage lithium battery pack can meet many applications, if you need, please get our online timely service about energy storage lithium battery pack. In addition to the product list below, you can also customize your own unique energy storage lithium battery pack according to your specific needs.

Honest marketing

1. we are manufacturer with production experience for more than 10 years
2. We own ISO, CE, ROHS, FCC, ETL, PSE certificates
3. We accept OEM and ODM
4. Our salesman is with rich experience in foreign trade and efficient work efficiency
5. High-quality after-sales service to solve all your doubts

FAQ

Q: Are you a directly factory or trading company?

A: We are inverter manufacturer.

Wenzhou Olaite New Energy Co., Ltd.

Address: Yueqing Economic Development Zone, Zhejiang Province

Tel: +86-15167879755

E-mail: olaite@cnolaite.com

Q: How does your factory do regarding quality control?

A: Quality is the priority. We always attach great importance to quality controlling from the start to the end. All our products have gained CE, FCC, ROHS certification.

Q:What can you do?

A:1.All of our products have proceeded aging test before shipment and we guarantee safety while using our products.
2. OEM/ODM orders are warmly welcomed!

Q:Warranty and return:

A:1. Products have been tested by 48hours continuous load aging before ship out.wanrranty is 2 years
2. We own the best after-sale service team, if any problem happens, our team will do our best to solve it for you.

Q:Is sample available and free?

A:Sample is available, but the sample cost should be pay by you. The cost of sample will be refund after further order.

Q:Do you accept customized order?

A:Yes, we do.

Q:What's the delivery time?

A:It usually takes 7-20 days after confirming payment, but specific time should be based on the order quantity.
